## **SECTION 1: CREATE NINJATRADER ACCOUNT**

#### https://account.ninjatrader.com/register

1 If you have not already done so, please go to the NinjaTrader registration page and establish your NinjaTrader Account.

NOTE: We advise against using Google or Apple for sign-up, as it might not grant you a username.

2 Once you've confirmed your NinjaTrader Account through email verification, proceed to set up your unique username and password. In case you encounter an error indicating that the username is already in use, just choose an alternative username.
